Clockwise from upper left: Undaunted by the strike, teachers hold their mid-day break. Mr. Firak reads through the procedure. Lead by a few groups of students, fellow students strike the strike. STRIKE FOUR!

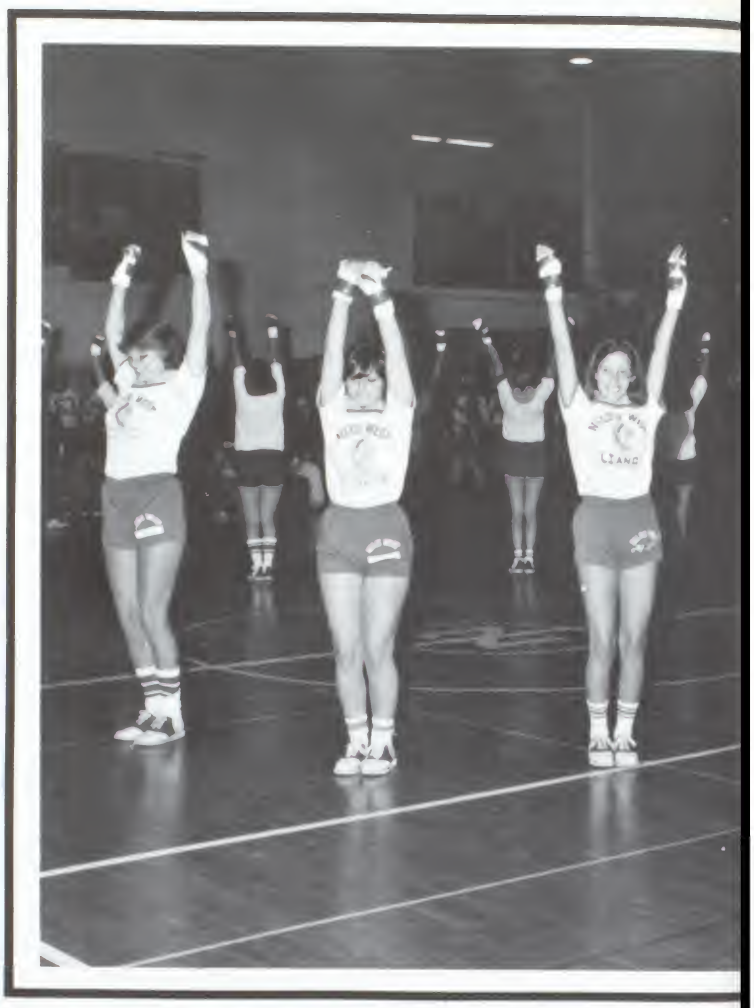
At the opening of the 1979-1980 school year, Niles Township saw its fourth teachers' strike in 12 years. The official strike notice was given September 4, the day before school was to begin. School did not begin for another 15 days. The school board initiated a contigency plan September 18, under which students were scheduled into a five period day consisting of combined levels of general curriculum. Many students found the contigency plan unsatisfactory, which resulted in a student walkout September 24. The students' objective was to force a settlement between the board and the teachers' union. An open board meeting was held the night of the 24, where many students and parents spoke out, urging a return to negotiations. A settlement was reached September 25; regular school began on Wednesday, September 26.

HOMECOMING ASSEMBLY

This year's Homecoming was organized by the Student Activities Board. During the assembly, the nominees for Homecoming queen and junior and senior courts were announced. Rousing speeches by the coaches of the football and soccer teams and the introduction of the team players highlighted the event. The cheerleaders and Pom Pon squad promoted enthusiasm for the big weekend.



Clockwise from above: Pom Pon squad takes on crowd. SAB President, Mary Weiss, orates. Football team responds with a cheer. Opponents stunned by "new" football team.

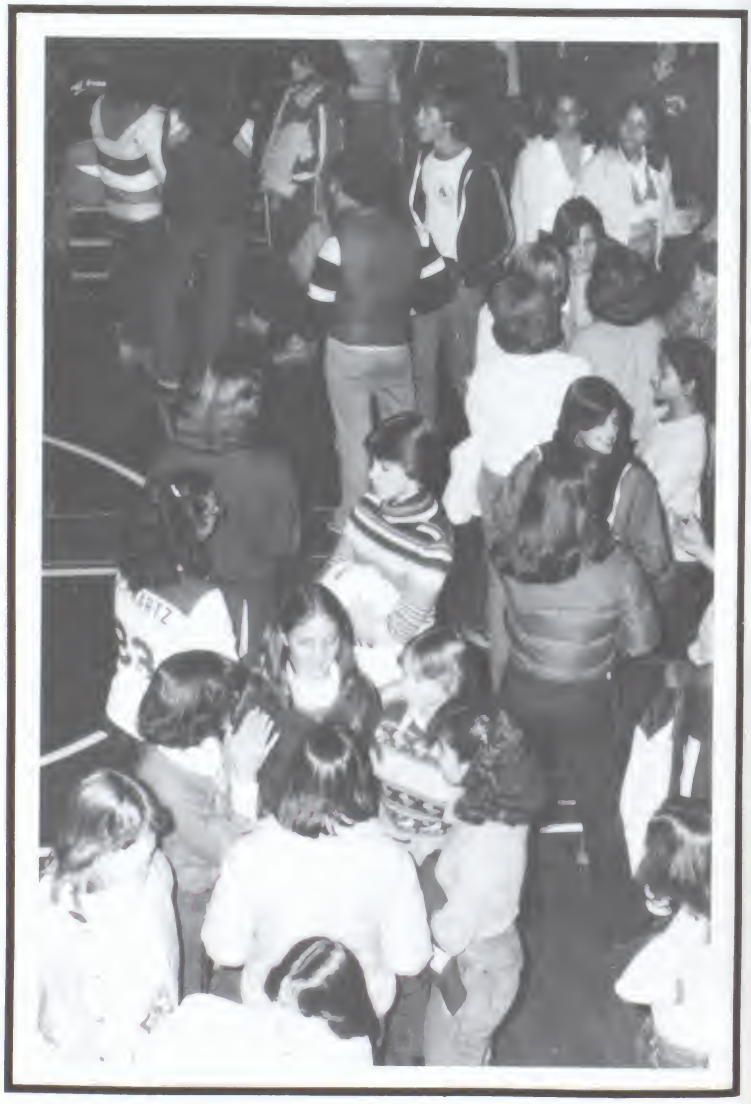
Highlighting the Twighlight Pep Rally was the naming of the Homecoming Queen and the Junior and Senior courts. Nancy Buffo, Faith Amarantos, and Mary Flood were named to the Junior Court. Barb Atsaves, Sharon Cooper, and Julie Housakos were named to the Senior Court along with Queen Julie Tatooles. Pep talks by head football coach Don Huff and co-captain Al Moltz inspired the crowd. The rally culminated with the burning in effigy of the Maine South Hawk.

Clockwise from upper left: Faith Amarantos takes a dip. Two double chocolate hot fudge banana splits with real whipped cream **PLEASE!**: Ice Cream socializers. "Horny" girl and her assistants.

ICE CREAM SOCIAL

The ice cream social was a "sweet" affair. Students created and enjoyed a variety of ice cream concotions and danced to the music of Boulevard, a local rock group.



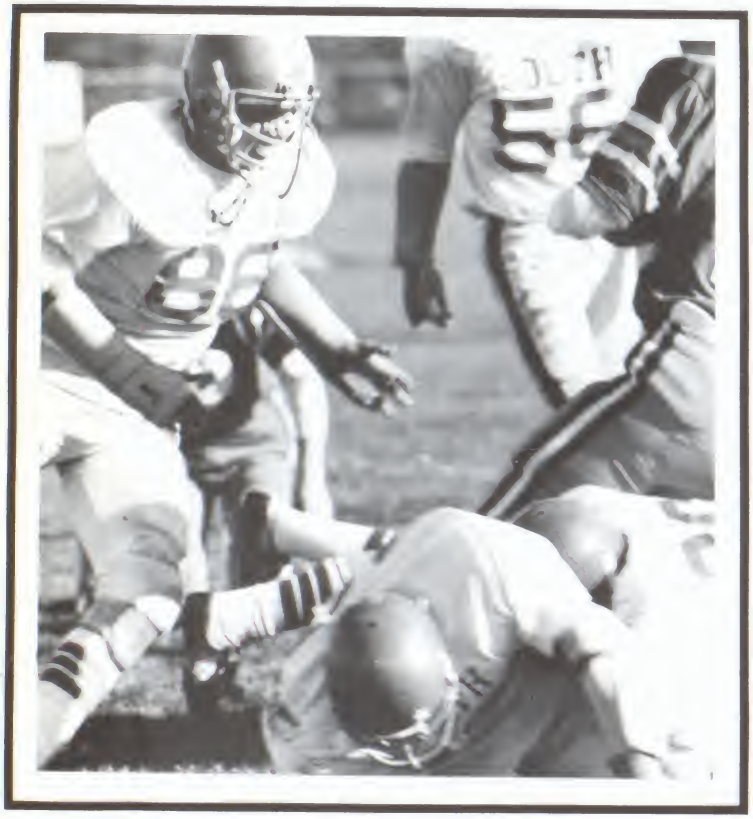
HOMECOMING PARADE

Everyone loves a parade, and Niles West is no exception. Our parade, complete with police escort, traveled the streets of Lincolnwood, Skokie, Niles and Morton Grove. Orchestra won the award for the best float, and the Senior Class Cabinet placed second.

Clockwise from above: Papier-mache Indian walks on small car. Senior Class Cabinet Float on the warpath. Senior Court and friends. Junior court is Flooded, Buffed, and Amarantoasted.

HOMECOMING GAME

Homecoming fans witnessed an important conference football contest as the Indians, indeed, made the Hawks sparrows by trouncing them 26-0 for their second consecutive shutout victory. The Indians crushing victory set the spirit for the final event, the traditional Homecoming Dance.



Clockwise from upper center: Snowing in October? Julie Tatooles is ready to play football. J.Housakos and C. Kasik, friends forever. Back from Texas, John Mayer raps with a Niles West cowgirl. The marching band has great form. Queen, courts, AFS students, and escorts intensely watch the fans. Football players practicing for the Homecoming Dance. Where the heck is the football?

HOMECOMING DANCE

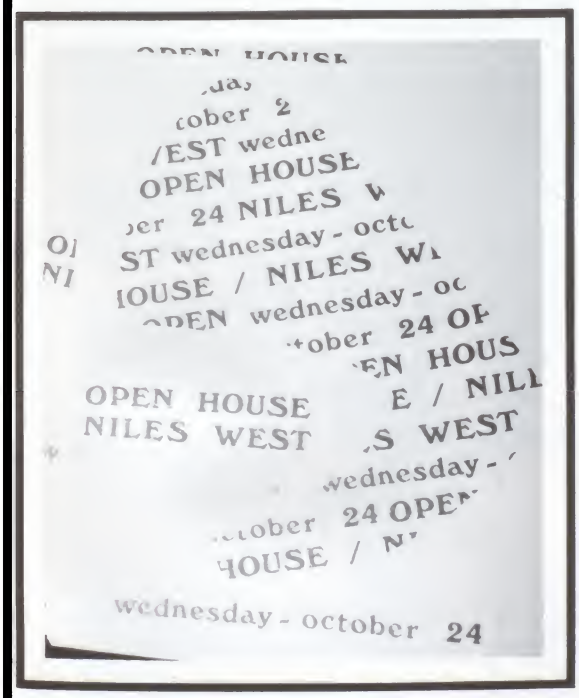
This year's Homecoming Dance, "The Main Event," was the climax of the weekend's many activities. Although the turnout was slightly smaller than in recent years, the fine dance music performed by "Darts" helped make the evening a memorable one.

STUDENTS FOCUS ON THE FUTURE

Together with their parents, students attended one of the most important events of the year, College Night. On the evening of Tuesday, September 25, approximately two hundred colleges and universities from all over the country presented informative and helpful material to interested students and parents. "I got a better idea of what different colleges and universities offered and which of these alternatives were right for me," said one senior. College Night, sponsored by the Guidance Department, is one of the many services provided for Niles Township students.

Clockwise from below: Big School? Little school? . . . . . Decision and distraction. College Night attracts all ages. Gary Plotnick and Laura Meshulam do some college shopping.

Clockwise from above: Jordan Dolin shows parents how it's done in the world of art. "Turn right at the end of the corridor, go through the double doors, then turn left, and follow the yellow brick road." Mr. Hanrahan spells it out scientifically to curious parents. Come one, come all! Boosters boost sales at Open House.



OPEN HOUSE STRESSES ACADEMICS AND ACTIVITIES

This year's Open House was held on Wednesday, October 24. Parents attended six minute classes based upon their child's schedule. In class, teachers explained course content and objectives. During free periods, parents were able to browse through the displays of various extra-curricular activities. One parent commented, "Open House provides me with a better perspective of and increased interest in my child's education at Niles West. I am very impressed with the caliber of education and the activities that the school offers its students."

Clockwise from upper left: Mickey Mouse and Mini Mouse meet Death. Spectrum photographer "spots" the "purrfect" cat. Two monsters pose with Niles West students. Smile if you're not wearing underwear! Dr. Payne waits patiently for his next "patient".

HALLOWEEN HAUNTS OUR HALLOWED HALLS

Clockwise from above: "You've Got a Friend ....." "Shall We Dance .....?" The "peppiest" parents on the block. Crew director, Karen Kozer, puzzles over her work. The Pyranas get the principal "burning" mad. "Am I going crazy or did I hear a wrong note?" S. Silverman, the "new boy", realizes that he is not wanted.

"DON'T EAT THE HOT DOGS"

Pow Wow, Niles West's annual student production, was presented November 15-17 in the school's auditorium. This year's show was an original parody of suburban high school life. According to student director Steve Koek, the production used music, dance, and comic dialogue to make its point. Each year, the Pow Wow show is conceived and executed entirely by students from the school. Freshmen Sheldon Silverman and Richard Schwartz, and juniors Liz Gump and Allyson Harris, were among those selected for lead roles in "Don't Eat the Hot Dogs".

"DON'T EAT THE HOT DOGS"

Clockwise from upper left: Mrs. Barcow earns her stripes. "Please believe me!" A "typical" suburban high school scene. The two lead males talk "man to man." Open your mouths and say "ahhh." Squid expresses shock after finding a radical left in the denominator.

THEY DANCED THE NIGHT AWAY

The 1980 Orchesis Dance Show, "Steppin' Out", was presented February 1st and 2nd by thirty talened and enthusiastic dancers. The dances were choreographed by current and alumni Orchesis members. Some of this year's selections included "All That Jazz", "Dust in the Wind", "Applause", "Sunset People", and other numbers to the music by The Rolling Stones, Pink Floyd, and Tchaikovsky.

With the help of the Niles West Jazz Band and a most cooperative crew, the two evening performances dazzled their audiences with lively music, interesting lights, flashy costumes, and fancy footwork. Thanks to all who made "Steppin' Out" 1980 a most entertaining and memorable show!

This year, Niles West High School Children's' Theatre presented Pinocchio. Two performances of the play were given: Friday, November 30, and Saturday, December 1. Both shows were held in the school's auditorium. Freshman Ted Goodman appeared in the title role, freshman Russell Reiter portrayed the woodcarver, Geppetto, and sophomore Cathy Edman appeared as the Blue Fairy.

THE SOUND OF MUSIC

This year's musical, *The Sound of Music,* was a great success in all aspects of the theatre. The show was performed on March 20, 21, 22, 1980 in the Niles West auditorium. The outstanding cast included the talents of: Kim No, Maria; Steve Koek, Captain Von Trapp; Janet Pass, Mother Abess; Mike Perlin, Max; Mike Schultz, Rolf; Todd Stern, Franz; Ian Streicher, Herr Zeller; and Laura Borkovitz, Frau Schmidt. Featured as the Von Trapp children were: Allyson Harris, Liesl; Sheldon Silverman, Friedrich; Gloria Camilli, Louisa; Elisa Astorino, Briggitta; Ron Packowitz, Kurt; Barbara Moesen, Marta; and Holly Horwitz, Gretta. "AFS FEVER"

This year's annual AFS dance seemed dissapointing to all who participated. The length of the teachers' strike, and lack of student body support hindered planning of the dance. Proceeds went to those students who will be going abroad on AFS during the summer or year.

Top Left: Best of friends. **Top Right:** Bill Ehlers and Kathy Nolan winners of the dance contest. **Bottom Left:** A typical Friday wit the girls. **Bottom Right:** C'mon girls, use those arms.

The 1979 Varsity Football Team, despite a switch into an extremely strong division, finished up with a remarkably good season. The defensive line was the pride of the Indian football squad. The unit was recognized as perhaps the strongest in the tough Central Suburban League North division. The defense limited its opponents to seven points a game for the first seven games. Season highlights included 26-0 and 22-0 shutouts of Maine South and New Trier West. The most exciting game of the season was surprisingly a loss to state ranked Deerfield. This team of fighting Indians was one of the best teams West has had in the last few years. Team leaders included Ben Froemming, Al Moltz, Ron Asher, Jim Sliwa, Ron Braver, and Chris Lapak.

The 1979 Varsity Soccer Team had a fine season taking third place in the toughest conference in the state. The team compiled a 3-2-1 conference record.

This year's team consisted of a number of seniors, juniors and sophomores, who after practicing together a few weeks, became a strong team both offensively and defensively. The solid defense was led by senior, co-captain and all-conference center fullback John Revis. All-conference players Steve Siegel, Ben Piro and Dave Adkisson led the powerful offence. Skilled senior players included co-captains Bill Majewski and Mark Schwartz and goalie Dan Namnick and Heeyong Yang.

Next year coaches Zorn, Schnurr and Brennen look forward to a fantastic team consisting of several returning lettermen. Also looking forward to next year are Scott Margolin and Tony Tatooles. Both had to watch the action from the sidelines because each suffered from a broken leg. Hopes of achieving a conference championship or better are in the minds of these talented players and coaches.

This year our team experienced the spectrum of life through athletics. We gathered together before school opened to learn that half of our team qualified for the Varsity which meant that there would not be a sophomore B team and those who expected to play on the B level would not be starting on the A team. This meant a year of unexpected experience and we knew that it would be a tough year in which to win. We tied Loyola and St. Viators and defeated Waukegan. When BAM! Schurz, New Trier East and Glenbrook took us to the cleaners, but we rebounded and defeated Holy Trinity. Along came New Trier West and Evanston who defeated us. Then came Maine South who was ranked #1 in the league. We held them scoreless, our morale rose and our next opponent, Niles East, fell beneath our advance 3-0. Glenbrook, who defeated us early in the season, was stunned as we forced them against the wall, allowing only two goals to be scored. All the players left their mark equally on the playing fields of Niles West. For you see we started as individuals and left as a team.

The Freshman A and B Soccer Teams included many boys who had never played soccer before. All of these players improved their game tremendously. By the end of the season they began to jell as a team and not strive for individual accomplishments. The A team's record was 2-8-1. Coach Porter felt that these boys were much better than that record indicates. The co-captains of the A team were Van Stamos and Steve Stratton. Some outstanding offensive players were Mike Oberlander, Mike Wilson, and Steve Ubrig. Some outstanding defensive players were Steve Majewski, Jae Chang, Alex Engels, and Joel Fink. They all worked very hard and a better record is expected from them next year.

NETTERS STATE THEIR FEELINGS

Top Row (l to r): Sharon Cooper, Betsy Kraft, Debbie Rich, Judy Banathy, Renee Sprogis, Barbara Parks, Margie Kong, Coach Krone. **Bottom Row:** Jill Mishkin, Tammi Pales, Diane Goldstick, Chris Conton, Edie Goldstein.

The Girls Varsity Tennis Team had a good season in 1979. After losses to tough teams from New Trier, Arlington Heights, and Deerfield, the team won its last five matches of the year to finish 5-4 overall and 4-2 in conference. Leading the team were all-conference singles player Margie Kong and Captain Sharon Cooper, whose 8-2 record for the season was best on the team. In district competition, Kong won fourth place and Cooper teamed up with fellow senior Jill Mishkin to win third in doubles. All three players qualified for the state tournament, where Cooper and Mishkin's 13th place finish and Kong's fine play placed Niles West among the top twenty teams in the state. First year coach Dean Krone working with the team and is looking forward to next year.

The Girls' Junior Varsity Tennis Team, headed by Coach Bobbie Schultz, had an enthusiastic year. Freshmen Michelle Gorchow and Debbie Laser led the team with their exceptional singles playing. The first rated doubles team, consisting of senior Melinda Bailey and Judy Koehler, a junior, helped the team tremendously with their superb playing. The team, according to the coach, was composed of hard-working and super players, who were devoted and willing to strive for their best performance. The season record of 3-6 did not reflect the talent and ability possessed by this great team. It was a growing season, giving the players a chance to progress. They were strong players, who made it through a difficult and rough season, due to the switch in conferences. Some outstanding players were Becky Weinstein, Lisa Shapiro, Debbie Havdala, Vicki Pappas, Mary Clarke, Carol Clarke, Helene Heman, Anita Shapiro, Jamie Berg.

VARSITY RACES THROUGH SEASON

The highlight of the season was winning fourth place out of the 43 teams at the Indian Invitational hosted by Niles West. Leading the running Indians were S. Rosenbloom, J. Quinn, G. Simon, S. Mersch, and R. Bedony. Juniors included D. Zeller, M. McCormick, and S. Muth. Rosenbloom earned CSL All Conference Honors.

The Frosh/Soph Cross Country Team did not have a very good season, due to lack of experience and very few Sophomores on the team. The Freshmen had a record of three wins and five losses, but they did come in seventh place at the Indian Invitational. The Sophomores had a record of four wins and six losses. Most of the losses were due to forfeits because of lack of runners. The Sophomore team lead by M. Lee came in fourth place at the Indian Invitational. The outstanding team members were N. Larsson, O. Hintz, and S. Vaughan. Coach Campbell said that the team did show potential but lacked experience.

SPIKERS ATTITUDE PREVAILS

Top Row (l to r): Stacy Maslov, Donna Trippichio, Pam Hintz, Holly Anderson, Betty Steilow, Becky Schnell, Marsha Robin, Coach Beeftink. **Bottom Row:** Robin Young, Erin Gallagher, Karen LeHew, Sharon Murphy.

The Girls' Volleyball Team had a very challenging season. A switch in conference made the competition more difficult. However, Coach John Beeftink was pleased with the team's performance, noting that the girls always gave their best and had a great attitude. The overall record was not indicative of the talent possessed by this enthusiastic team. This was a rebuilding season with only three returning players. They were Pam Hintz, Marsha Robin and Betty Steilow, of which the first two were co-captains. Aiding the team, with their outstanding and diligent work, were third year managers Stacy Maslov and Sharon Murphy. Some outstanding players were Donna Treppichio, Holly Anderson, Becky Schnell, Robin Young, Erin Gallagher and Karen LeHew. Coach Beeftink is looking forward to a more promising record next year. This year's hard working players were rewarded by their improvement from game to game.

Above: LeHew and Anderson notice that the sky is falling. **Above Right:** Becky Schnell serves a winner. **Right:** Lee Papanek shows expertise in spiking.

JV TONE SKILLS

Working on teamwork and indivdual skills were the main objectives of the Girls' Junior Varsity Volleyball team. Coach Terry Kimura was very happy with the team's performance, claiming that the girls showed remarkable improvement with each game. Some outstanding players were Lois Mayer, a freshman moved up to Junior Varsity and sophomore Anne Steurmer. Co-captains Heidi Jassewein and Kate Jerney were also an important part of the team. They helped the team work smoothly and together. Managers Stacy Maslov and Sharon Murphy were very devoted to the progression of the team.

Top Row (l to r): Coach Kimura, Hiedi Jessewein, Michaelyn Jarosz, Lois Mayer, Lory Roller, Anne Stuermer, Chris Herkert, Jean Reljac. **Bottom Row:** Stacy Maslov, Lynette Fair, Lisa Tomleoni, Lee Papanek, Mary Ann Kenmotsu, Kate Jerney, Sharon Murphy.

This year's Freshman Volleyball Team devoted much of the time to giving these strong, new athletes more experience. They also were taught the fundamental skills needed to be a good volleyball player. The team, according to Coach Sopocy was an enthusiastic and cooperative group that worked very hard. A fantastic improvement was seen with each game. Some outstanding players were Karen Tenzillo and Jeri Beopple. This was a growing season where each player benefited.

Top Row (l to r): Coach Sopocy, Rosie Miller, Kathy Hehn, Carol Swenson, Kathy Chadwich, Mariom Snyder, Jeri Beopple, Jacky Hoffman, Kathy Tenzillo. **Bottom Row:** Laurie Coconato, Julie Mamett, Jenny Monier, Phyliss Milewski, Beth Bonkoske, Karen Tenzillo.

The 1979 Varisty Golf Team had a very disappointing season. The team's record was two wins versus eight defeats. Don Pieper finished eleventh in conference and seventh in districts. This seventh place finish was good enough for him to become the first golfer in six years from Niles West to qualify for sectionals. Other outstanding golfers were; Steve Tobin, and Rob Chapman.

The 1979 Junior Varsity Girls Swim Team coached by Mrs. Axon and Mr. Davis had a better than .500 season. Highlights of this years team included victories over arch rivals Niles North and Niles East, along with other conference victories over Maine East and North. Team members were; Georgette Bartholomew, Andrea Cattern, Jenny Cohen, Teri Cregar, Betsy Gerstein, Ann Hellestrae, Michelle Jaskolka, Julie Martini, Lea Marinakis, Paula Miller, Amy Nutting, Cindy Puetz, Randi Warshawsky, and Elizabeth Travis.

The 1979-80 Boys Varsity Basketball Team had their most successful season since the appointment of Robert Murphy as head coach in 1977. Coach Murphy attributed the team's success to an innovative and unrestricting motion offense and a tenacious full court press. Aided by aggressive quickness and unyielding determination, the Indian ball club often rallied from near defeat to victory. Although the West squad lacked height, they always displayed maturity, maintaining their poise in apparently hopeless situations. Led by three year veteran Morgan Cuff, and play-making guard Scott Strongin, the Indian's fast break was highly effective. While Steve Rivkin, Joey Morgan, and Dave Martin supplied the team with their rebound strength underneath the boards, Don Pieper was consistently accurate from the field.

Emphasizing a fast break offense and aggressive full court defense, the 1979-80 Sophomore Boys Basketball Team produced a superb winning record. The season did not produce any one outstanding player, rather the success of Coach Klebba's well-conditioned squad was attributed to the team's overall excellence as a unit. Starting sophomores were Jack Cohen, Mitch Stern, Mark Witt, Sean Ridley and Mike Grunfield.

The 1979-80 freshmen boys basketball teams coached by Larry Minor and Joe Brennan, served to improve the boys' raw talent, refining and polishing the skills with which they entered high school. Although both the "A" and "B" teams finished the season with losing records, coaches Minor and Brennan felt that the season was a "learning experience" for all. The teams emphasized set offenses and experimented with different zone defenses throughout the year. Frosh stars were Greg Engelhardt and Lee Schaps.

Below Freshmen "B" Team; **Top row (l-r):** Mgr. David Zucker, Glen Guttman, Alan Smith, Jay Chang, Tim Linderman, Darrel Gold, Nathanial Gyos, Coach Brennan, Mgr. David Kapalanski. **Bottom row:** Darrel Gold, Van Stamos, Eric Frank, Joel Fink, and Steve Majewski.

Top row (l-r): Judy Banathy, Pam Hintz, Michelle Bergulnd, Coach Earl, Holly Anderson, Lynn Carlson, Karen Kaufman. **Bottom row:** Peggy Reljak, Backy Schnell, Tina Conti, Barb Atsaves, Jill Beopple, Donna Trippichio.

The 1979-80 Niles West Girls Varsity Basketball Team, coming off their state championship in 1978-79 was not a dissappointment but rather a pleasure as they played well all season, losing but one game in the early going. Coach Gene Earls' "Earls Girls," combined good shooting, sharp passing, and a superb defense in compiling their wins. Led by team captain Barb Atsaves, the girls drove toward the state tourny all season. Other team leaders were, Seniors Tina Conti, and Pam Hintz, Junior Holly Anderson, and sophomore Becky Schnell.

Coached by Ms. Kay Sopocy the girls junior varsity basketball team achieved a great deal of success. It is here on the J.V. level where the girls are groomed for play on the varsity team, and if this year's squad is any indication of Niles West Basketball, the Indians should remain a powerhouse for years to come. Team leaders included Jean Reljack, Nancy Martorano, and Rose Goeppert, all of whom contributed to the teams winning record.

The freshman girls basketball team emphasized speed and accuracy throughout a successful 79-80 season. Led by coach Donna Mueller, the girls practiced together every day, improving their court skills. Team captains Lisa Shapiro and Cindy Atsaves promoted spirit at each game. Working as a team, the freshmen continued the West tradition of excellence on the basketball court.

VARSITY LACK EXPERIENCE

TOP ROW L-R: Coach Richardson, Paul Rooth, Mike Figurelli, Dave Rubenstein, Jerry Coursey, Tim Schluter, Gus Haramarras, Dino Varnavas, Steve Milewski, Mike McMillen, George Milios, Craig Turton, Coach Huff, Coach Nelson. **SECOND ROW L-R:** Chris Wheeler, Brian Murphy, Mike Resnick, Jack Havdalah, Gary Speizman, Mark Chao, Ayhan Kideys, Stuart Cohen, Earl Goldberg. **THIRD ROW L-R:** Bob Kilkenny, Tod Kasik, Rob Bailey, Paul Shemroske, Gary Rose, Kevin Kessler, Chris Flommer. **LAST ROW L-R:** Shannon McLean, Sharon Christensen, Laura Gaughrin, Jewel Desmond.

Lacking experience, Coach Bill Richardson's Varsity Wrestling Team improved greatly throughout the season with the teams strongest performances coming in the last meets. With only four seniors on the team, more than half of the Indians starting lineup was underclass. The season was clearly highlighted through the numerous victories of co-captain Pat Shemroske. The return of co-captain Chris Wheeler also helped to brighten a rather dismal season. Other seniors; Mark Chao and Gary Rose aided the squad with both skills and experience. With seven returning starters, and the close of Niles East, next year's Varsity Wrestling Team could be a Suburban League power.

The 1979-80 freshmen wrestling team, despite a losing record, gained experience that will be put to use in the years to come. Under the expert tutelage of coach Robert Porter the freshmen grapplers learned the basics of the sport, a foundation that they can build on during their remaining years at West. Lightweight Bill Bravos was one freshman who showed exceptional promise.

VARSITY GYMNASTS UNDEFEATED

FRONT ROW L-R: Coach John Burkel, Chris Conton, Jodi Trietler, Sue Friedlander, Janice Ross, Gail Piper, Marie Helgeson, Assistant Coach Judi Sloan. **BACK ROW:** Nancy Buffo, Manager Mary Pearson, Margret Luncsford, Allyson Pollack, Captain Donna Zoros, Janice Grear, Joanne Oppenheim, Manager Laura Friedlander.

Super, fun, determined, and disciplined are just a few of the adjectives suitable for describing this years Varsity Gymnastic Team. Season highlights were Janice Grear's 8.8 score on the unevens, Captain Donna Zoros' new floor routine, Jodi Treitler's vault at the Glenbrook South Invite, Sue Friedlander's 1½ twist vault and Margret Luncsford's 9.15 winning vault at Naperville. Unforgettable moments include: Nancy Buffos' and Janice Ross' great routines at the Niles West Invite, Allyson Pollack's difficult unevens routines, Chris Conton's front somi, and the unrelenting drive of Gail Piper, Marie Helgeson, and Joanne Oppenheim. Marla Lampert's choregraphic expertise and the endless hours of work by Judy Miller, along with managers Mary Pearson, Laura Friedlander, and Sherry Gotomelsky were all greatly appreciated. The Varsity team went undefeated, feeling its rightful place among the best athletic teams Niles West has ever had. Head coach John Burkel and assistant Judi Sloan cherished every moment.

To borrow a line from a Frank Sinatra song, "it was a good year". This line effectivly summarizes the Niles West J.V. Gymnastics team. The J.V. team, led by Sophomore Lee Papanak and Freshman Sheryl Barasch, recorded an over .500 season of 5 wins and 4 losses for the 1979-80 season. Coach Jean Armour was extremely proud of her squads determination throughout the year.

BOWLING

TOP ROW L-R: Lisa Singer, Carol Hedberg, Karen Venson, Linda Kerz, Pam Sloma, Jamie Turchen, Coach Sue Hoffman. **BOTTOM ROW:** Veronica Milewski, Lynn Schildgen, Sue Hughes, Dale Larson, Karen Hedberg.

The fact that a team can have few wins, and yet remain successful was proven by the Niles West bowling team. Although the squad had a disappointing season, the girls improved their scores, and had a good time. Coached by Sue Hoffman the team worked out every day at Oakton Bowl, where team captain Carol Hedberg polished her brilliant form.

The 1979-80 Boys Varsity Swim Team realized the most successful season a West varsity swim team had experienced in years, with a dual meet record of 5 wins and 8 losses. Coach Mark Reckers tankers accomplished this feat with convincing victories over Quigley North, Niles North, Niles East, Taft and Maine North. Three-fourths of the way through the season, the squad lost the services of Junior co-captain Art Milbrandt due to a knee injury. Strong swimmers for the Indians all season were: Seniors, Mike Sacks, Len Travis, Barry Malkin, as well as Junior Steve Kueller, and Sophomore Jim Krozel. Coached by Gary Davis, Senior diver Brian Horan also contributed greatly to the teams success.

The Boys Freshmen Swim Team had the most succesfull season of any swim squad in years. Winning their first five meets before experiencing a loss, the tankers final record was 6 wins, 3 losses, and 1 tie. Coach Carr felt that the Indians success was directly related to the work they put. Had the squad seen a bigger turnout they could have been even beter. Star swimmers were Jim Suess, Andy Benbow, Mark Fallaroni, and Al Limpin.

For the third consecutive year Coach Pat Savage has guided the Indian Track athletes to a winning season. The team was led by All-State Shot Putter Bruce Weil and by Steve Rosenblum who ran the fastest two-mile and one-mile in the history of Niles West.

The team was blessed by hard working athletes and excellent coaching. The team was coached by Jeff Nelson, Al Lucas, Bruce Munson and Pat Savage.

This past year has brought a great deal of excitement to Niles West track fans. The Indians not only won quite a few more dual meets than they lost, but they finished high in every big invitational meet that they entered. The Big Red Running Machine was a contender for the Indoor and Outdoor Conference Championship crowns and with a little luck could have called themselves Conference Champions.

The individuals on this year's gymnastics team showed a lot of improvement over their performances from last year. The team's success was mainly attributed to the fine group of returning seniors with the strong support of the juniors — last year's sophomore conference champions. The two strong events were floor exercise led by junior Scott Thomason and still rings, led by junior Paul Fishbein. High scores during the season were attained by Joe Krozel on the pommel horse and by Paul Fishbein. All-arounders Bob Todd and Scott Thomason brought in the majority of points with each working six events in every meet. Good performances were also turned in by seniors Ron Taibl and Paul Prinz on still rings, Rod Goodman on hi bar, Pete Masterton on free exercise, John Protchotsky in long horse vaulting, and Ken Klein on parallel bars.

VARSITY BATS A SUCCESS

Top Row (l to r) Coach Murphy, Phil Wax, Bob Peterson, Joey Morgan, Howard Stoleberg, Dan Namnick, Coach Schnurr. **Middle Row (l to r)** Mike Froemming, Eric Kiesal, Leo Moritz, Brett Wilson, Gary Schnurr, Steve Sanders. **Bottom Row (l to r)** Mark Schwartz, Ben Froemming, Jim Elliot, Steve Weiss, Steve Morgan.

The 1980 Indian baseball team ended a temendous year. Coach Billy Schnurr's team was strong in every department; hitting, pitching, defense, base running and saviorfaire. Each player was supremely confident in himself and equally confident in his teammates. The team was a smart, alert unit that readily capitalized on opponents' mistakes or weaknesses, but rarely gave the other team similar opportunities. They were as a team of destiny, born to win because they would not permit themselves to be beaten.

Captain Ben Froemming was clearly the outstanding performer among an unusually large galaxy of stars. He led the team in virtually every offensive category, including runs scored, runs batted in, extra base hits, home runs, total bases and slugging percentage. Defensively he anchored the team with his stellar play at the vital catching position where his great throwing arm and steady handling of pitchers were instrumental in stopping each opponent. This talented athlete could have been a standout at any position on the field. Ben was certainly one of the finest high school baseball players in the state of Illinois.

Joey Morgan, Bob Peterson and Gary Schnurr were the mainstays of a superb pitching starr. One of the three started every important game (frequently going the distance) and each was used in relief in key situations. This trio had a combined earned run average of a sparkling 1.53. Steve Morgan, Ben Froemming, Phil Wax and Leo Moritz also pitched well in limited appearances.

Jim Elliot led the team in hitting with a robust .455 average. Steve Weiss, Froemming, Wax and Moritz were all between .340 and .450. Eric Kiesal and Mark Schwartz combined with Weiss, Moritz and the Froemming brothers to provide speed and excitement on the base paths. Elliot, J. Morgan, Wax and others, though not as quick, also ran the bases well.

The defense, though shaky on occasion, early became one of the strengths of the team as the season progressed. Kiesal, Weiss and Moritz, with occasional help from Mike Froemming or Steve Sanders, gave the Indians a swift, strong armed, generally sure-handed outfield that was a tremendous comfort to the pitching staff. Schwartz, Elliot and Wax with M. Froemming and Don Kalas aiding J. Morgan and Peterson playing first base worked very hard to improve their infield play. Their progress was astounding. Each of them was playing with unusual aplomb by midseason. Brett Wilson and Dan Namnick, a pair of catcher-outfielders, and first baseman Howard Stoleberg were among others who made important contributions to the great season.

GIRLS SOFTBALL

The Girls Varsity Softball team approached this years competition having won the Central Suburban League Championship for the past four years and boasting a 33-2 record over the last two. This years team competed in the tougher Central Suburban League North Division, but with returning varsity players Erin Gallagher, Laurie Vick, Barbara Atsaves, Marsha Robin, Robin Young, Jill Beopple, Donna Tripicchio, and Becky Schnell the squad fared well.

The 1980 Varsity netters were one of the strongest tennis squads Niles West has shown for years. The team competed valiantly in the strongest conference in the state. Leading the team were fourth year Varsity seniors Ross Laser and Steve Lirtzman in singles. Both completed their final season with the winning style they maintained throughout their Niles West tennis careers.

Rounding out the team was singles player Rob Chapman, who gained a valuable year of varsity experience in preparation for next seasons absence of Laser and Lirtzman. Doubles players Steve Rivkin (senior), Scott Weinstein (senior), George Karavattuveetil (senior), Larry Kong (junior), and Curt Warchol (senior) played excellently throughout the entire season, consistently winning in the clutch situations.

Varsity Coach, Dan Hill, was extremely pleased with the team's performance this season and is optimistic about future Niles West tennis success.

Being the first year the Girls track team had an indoor season, the team spirit and ability of the squad was improved. Led by outstanding coaches, Armour Sloan, Schultz, and Mitz, top performances were turned in by Laura Friedlander, Judy Banathy, Linda Kaufman, and Barb Braje. Team Co-captains were Carol Hedberg and Maria Kocklanis.

In its first year of competition, the Niles West Girls Cross Country Team received as many honors and accollades as any other West squad. Led by sophomores Laura Friedlander and Jenny Weiss, the squad placed first in the Niles West Invitational, first in the Highland Park Invite and fourth in the Indian Invite, a meet with upwards of thirty teams. Receiving all-conference honors, Friedlander placed 75 out of 225 in the state meet. Coach Sloan hopes that with the return of Friedlander and Weiss coupled with the efforts of Robin Telengater and the rest of the squad the 1980 team can be even stronger than the squad West fielded this year.

The Ecology Club was essentially a field biology club concerned with noting the plant and animal life in different ecosystems. The club has investigated prairie areas, woodland settings, and dunelands. Field trips were an important aspect of the club.

Forums, headed by Mr. Lorenz, brought various speakers to the Niles West Auditorium. This past year Forums talked to individual homerooms to get ideas for speakers from the students. Not hindered by the small staff, Forums sponsored speakers on a wide range of topics to complete another successful year.

The purpose of the Niles Chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in all students of the high school.

Candidates eligible for election to the society must be a junior or senior and have a 3.2 grade point average. A candidate must receive ten recommendations from faculty members including the homeroom teacher and counselor. They also must be involved in at least two different school sponsored activities.

During the early years of the Chapter, the Society functioned as an Honorary Society and the members did not initiate activities as a group. Last year, students began to organize some service activities. On Saturday April 7, 1979 the Chapter held a party at Clifton House (home for retarded adults) in Park Ridge. This year the Chapter organized a Senior Citizen's Day, initiated an Induction Ceremony and prepared a Scholastic Wall of Fame. The Club officers were Sue Manner, President; Scott Strongin, Vice President; Wendy Fox, Secretary; Nancy Jaffee, Treasurer; and Mr. Wiedl, Sponsor.

The Niles West Math Club was an ideal club for students interested in mathematics. The members participated in many contests in and after school. The Niles West math intramurals, Illinois Math League and Atlantic-Pacific Math League were examples of a few of the tests. They were also members of the North Suburban Math League which met at various schools every three weeks. Students took tests based on grade levels and the best scores in each level were compiled to determine the school score. The officers were, Joe Krozel, President; Rick Manner, Vice-President; Karen Lee, Secretary.

The Aeronautics Club is one of the oldest organizations at West. Its primary aim is to provide interested students with a chance to design, build and fly model aircraft and rockets. Competition among the members is an exciting activity. Several group projects, such as a nine foot long rocket and an eight foot dirigible have been built and flown. This year the club sponsored a balloon race to raise money for these group projects. The officers this year were: President Mike Jutovsky; Vice-President Julius Mak; Sec.-Treasurer David Schwartz.

SCIENCE SEMINAR

Left: John Quinn, Steve Deer, Susan Klemm, Karen Lee, David Schwartz, Mr. Rogoski

Science Seminar provided students a chance to pursue science projects with hopes of competing at national levels. Entry into the Westinghouse Science Talent Search was encouraged as well as participation in the Junior Science and Humanities Symposium held in the spring. Field trips to facilities like the Fermi National Accelerator Laboratory at Batavia, Illinois were important activities designed to augment the student's science experiences.

COMPUTER CLUB

The members of the Computer Club met twice a month to further their work in the world of computer science. This year brought new equipment, greater flexibility and even more enthusiasm than in the past. The club initiated a computer contest held at Niles West between the three Niles Township schools. The emphasis was on individual progress and problem solving. The regular meetings also led to the refinement of the computer club open house demonstration. The officers were: Rich Robbins, President; Monte McGuire, Vice-President; and Jay Stein, Secretary-Treasurer. Mr. Weitzenfeld sponsored the club.

PHOTO CLUB

Bottom Row (l to r): Dan Bernstein, Kathy MacDonald, Jamie Wainer. **Second Row:** Len Go, Raymond Chao. **Third Row:** Linda Terzakis, Michael Attia. **Fourth Row:** Tom Weiss, Chris Shiakallis. **Top Row:** Monte McGuire and Mr. Davis, Sponsor.

The purpose of the Photo Club was to encourage creative picture making through contests, discussions, critiques and darkroom work. The President of this group was Monte McGuire. The projects accomplished this year were the development of a photo montage mural for the large wall in the main office, and the spring photo contest. The subject matter for the mural was taken exclusively from scenes around Niles West. Black and white and color photographs of varying sizes were represented. The spring photo contest again featured cash prizes for the top four photographs.

ART COUNCIL

Left: Mr. Blackburn, Sung Mun Lee, Sugwon Lee, Jeff Horwitz, Ed Odyniec, Denise Monnier, Linda Svrcek, Rhonda Hoffman, Lilliana Mendez-Soto, Anita Loiacono.

The main purpose of the Art Council was to develop the artistic environment of Niles West. For the past few years the art Council has organized the junior and senior high school art shows. As of last year, the Art Council has completed three murals. Their major project last year was a super graphic for Mr. Turry designed by Jeff Horwitz and Sugwon Lee. The officers of this club were: Pres. Rhonda Hoffman; Vice-Pres. Sung Mun Lee; Treas. Jeff Horwitz.

MEDICAL CAREERS

The Medical Careers Club was open to all students interested in any medical field. The club was sponsored by one of the school nurses, Mrs. Jaros. MCC had four officers: Pres. Paula Smolenski; Vice-Pres. Lynn Kagehiro; Sec. Betty Dassow; Treas. Robin Glassner. The club had a variety of speakers, took field trips and saw films about special careers. They encouraged members to consider many medical fields besides those that they were particularly interested in.

Gemütlichkeit is the word that best describes the German Club. There was a warm, comfortable feeling that prevailed during each meeting and activity.

Each year the German Club starts out with Oktoberfest activities. Then holiday time comes, bringing Christmas decorations in all of the German rooms

German Club had a German newspaper, Das Deutsch Wort, printed twice a year. There were articles from former students, word searches and Tante Gertrude, their own version of Dear Abby.

Whether the German Club was decorating Christmas trees, eating at Lutz's pastry shop or playing a shoddy game of soccer, there was always a feeling that each person belonged.

DEBATE

Above (l to r): Steve Williams, Steve Korol, Aaron Feinberg, Jeffrey Ring, Richard Aronson, Matthew Goren, Frank Miller, Jeff Deer, Julia Bionias, Dan Filler.

The Niles West Debate Society is an organization that discusses major current issues. In the club, students researched and prepared for the many tournaments held throughout the year. The team spent the year working on the resolution: "Resolved: That the United States Should Significantly Change its Foreign Trade Policies." Each debater was prepared to both affirm the resolution and negate it at each tournament. This year the organization was led by head coach Lorelei Pettigrew, and assistant coaches Bruce Austin and Dan Wolfe, of Northwestern. The officers of the team were Dan Filler, President; Steve Williams, Vice-President; and Rick Manner, Executive Secretary.

MORNING MOUTHS

Every day during homeroom, Niles West's "Morning Mouths" announced bulletins of the school events. This year senior Kim Olliges, junior Karen Klemens, and sophomore Mary Ann Kenmotsu, brought good news, bad news, triumphs, and defeats to everyones' ears.

DECA

Left to Right: Alan Wilczewski, Robert Dolce, Chris Maynard, Joe Toth, Lisa Lores, Mitch Klein, Jacky Udell, Lisa Coloian, Julie Gunchick, Sherry Sienkowski, and Mr. Darrel Smith.

DECA, both a club and a class, promoted knowledge in the art of retailing. In the daily Distributive Educational class, they learned about the fundamentals and refinements of buying and selling goods. Sponsored by Mr. Darrel Smith, and headed by President, Alan Wilczewski; Vice-President, Chris Maynard; Secretary-Treasurer, Robert Dolce; and Parliamentatian, Lisa Coloian, the club went to local and state competitions national competitions and an area meeting of their association.

The Intramural program offered all students a chance to participate in many sports, regardless of ability, after school. Participants in this year round activity used the school facilities to enjoy soccer, gymnastics, racquetball, basketball, weight lifting and many other sports. Mr. Skuban, the sponsor, worked very hard to expand this popular program.

The Leaders overall purpose was to provide opportunities for girls to explore and develop techniques of working with individuals and groups. They sought to do this by the following: promoting interest in girls physical education, the out of doors, health and sports; increasing proficiency in, and the understanding of several sports; developing a sense of responsibility; and promoting teamwork and leadership.

This is a three year program. Students are selected during their freshman year and encouraged to apply prior to their sophomore year. Students participate in a special Leaders gym class their sophomore, junior, and senior years. In addition, they help to lead regular gym classes. The Leaders sponsored several fund raisers and a sportsnight. The proceeds went toward their annual campout.

Getting those legs up!!!

This year was very fulfilling for all the girls on the pom pon squad. They performed at all the home football and basketball games and with the band for special appearances. Captains Joann Lee and Lori Nordeen, along with sponsor Mrs. Gina Hubbard, helped the girls. They started practicing for this year during the summer and attended a camp where many good things happened. They received numerous first and second place ribbons. They also received a third place ribbon for their original routine and were invited to the Midwest Invitational. In individual competition, Julie Tatooles won the title of Miss Badgerette and competed again at the Midwest Invitational where she became a finalist. These girls were well prepared for an exciting year, and one it was, for what would a home football or basketball game be without them?

Upon further reflection . . .

Niles West's dance company, Orchesis, headed by President Mary Lauders, Vice-President Yvonne Johanson, Secretary Kathy Krasowsky, and Treasurer Marcia Block, was split into two sections this year: senior and junior. This gave more girls a chance to participate. Together with their sponsors Miss Grossman and Marla Lamper, Orchesis began their season performing at the open house. The culmination of their hard work was seen in their annual dance concert "Steppin' Out" held in February.

Thespians is a club comprised of those people associated with the drama department. This year Thespians worked behind the stage, and have been active with each production. They have become Thespians by earning points according to the work that they put forth in a show. Their main goal is to get more people interested in theater.

Represented by President Andi Kulbersh, Vice President Steve Koek, Secretary Randee Orlean, and Treasurer Todd Stern, the club raised money to travel with their shows. This year they attended the International Thespian Conference in Muncie, Indiana, and the Illinois High School Theater Festival in Normal, Illinois.

Opus One is a collection of original student drawings and manuscripts. Released in May of each school year, the magazine culls the most effective of a wide range of submitted works, etchings, line drawings, sketches, poems, and short stories. Opus One staff works throughout the year, encouraging submission of polished materials, sometimes requesting changes to suit space limitations or to provide clarification of image. All efforts are considered; all are returned. Staff members actively participate in advertising, writing, judging, layout and design. Opus One is then professionally published and sold by previous subscription or immediate sale.

Under the leadership of Editor-in-Chief Paul Morton, News Editor Steve Lirtzman, Assistant Editor Scott Heyman, Features Editor Adam Cooper, and Sports Editor Mike Sacks, the small but mighty West Word staff covered the news events of the '79-'80 school year.

Approaching and entering a new decade, West Word provided several journalistic innovations including critic Matt Keenan's in depth movie reviews that both praised and panned Hollywood's latest efforts, and the West Word Sportlight that featured profiles of outstanding athletes.

Continuing the policy of hard hitting editorials, West Word took their stance on such diverse issues as the 1979 teachers' strike, student drug abuse, and curriculum changes.

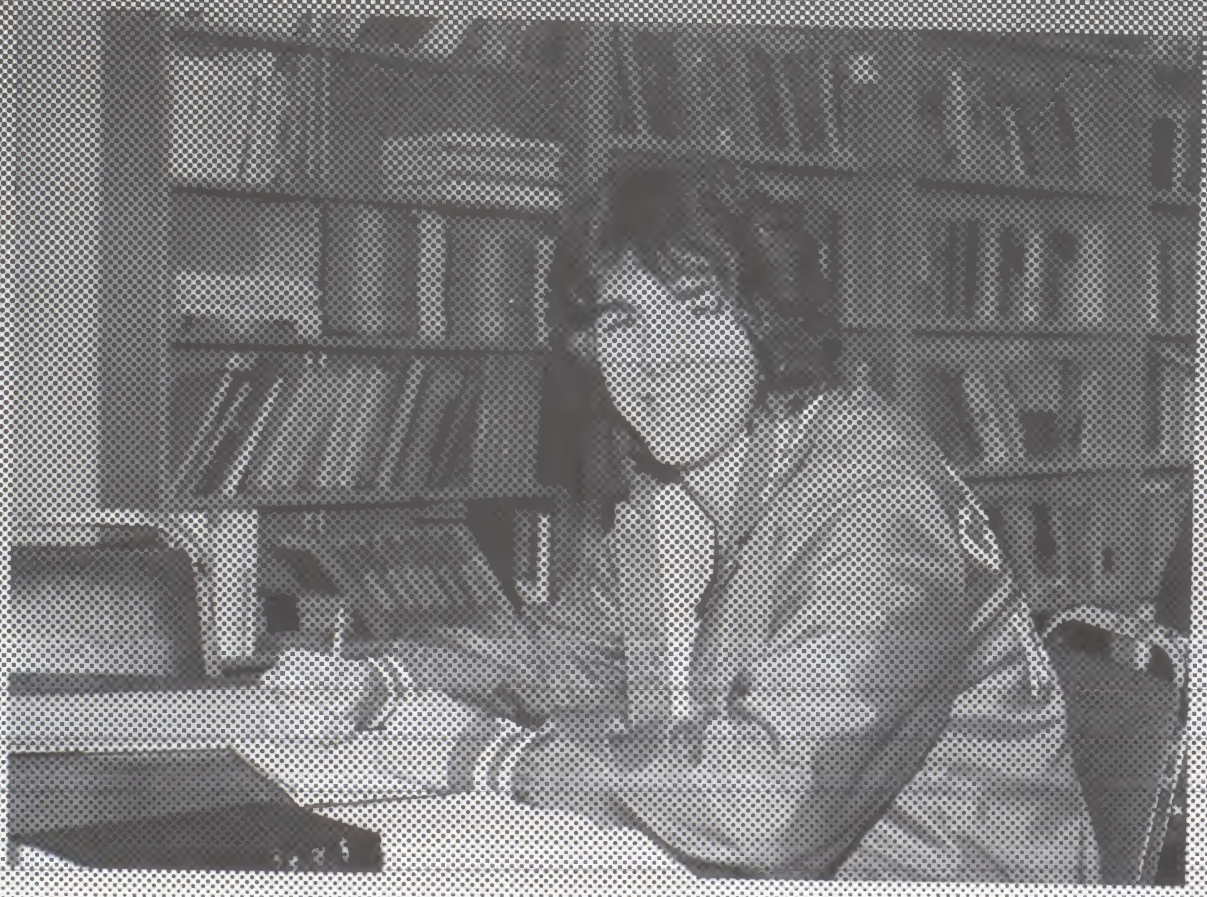
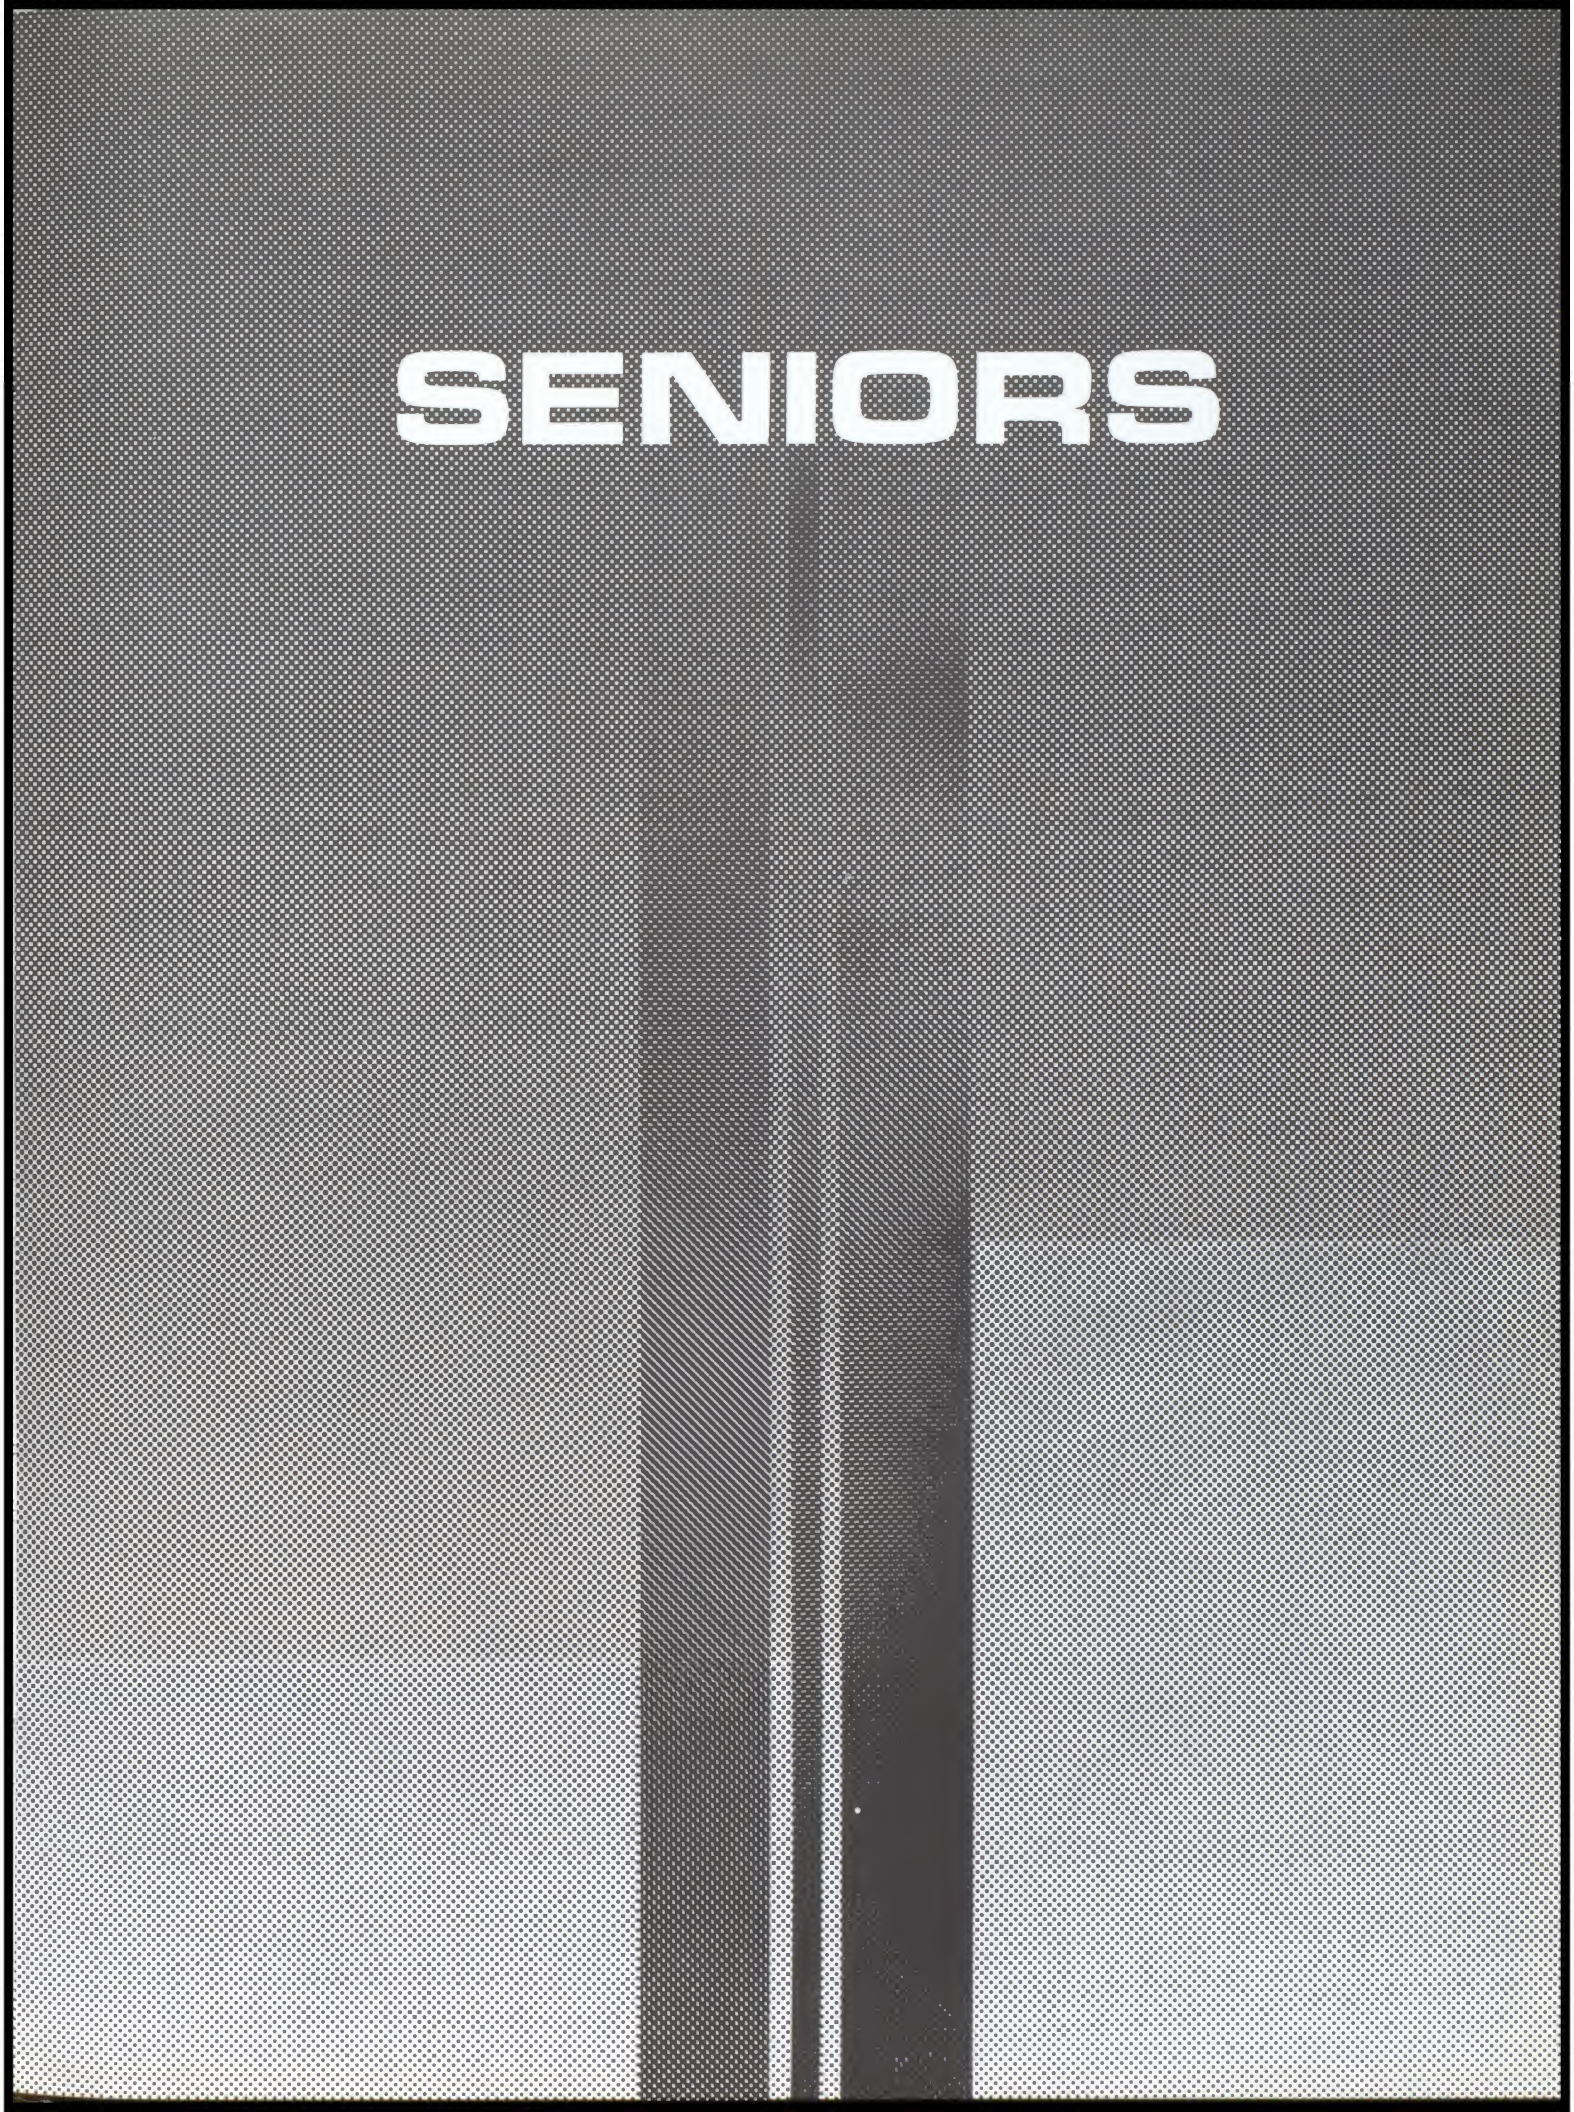
Stressing the theme of "The New Decade", Spectrum staffers provided innovative layout design, improved organization techniques, and created futuristic art work.



SENIORS



This year's Senior Cabinet was comprised of twentyfive hardworking community spirited people, who, under the sponsorship of Mr. Roger Stein not only demonstrated school spirit, but also gave of themselves in a true act of charity. The Cabinet's activities began in October with the building of an award winning Homecoming Float. The remainder of the first semester was spent planning a Christmas Party for the children of the Buckingham Hull House Center in Chicago. Cabinet members acquired funds for the purchase of toys through a series of school bake sales.

At the party (on Dec. 18), the seniors led the children in games and songs, culminating with the arrival of Santa's elves (Beth Fink and Julie Tatooles) who passed out presents to the children. It was clear from the joyful reaction of the children that the party was a success. Cabinet members deemed this activiity to be truly memorable.

During the second semester the cabinet worked on plans for a unique class gift that continued this year's Senior Cabinet theme of service to school and community.

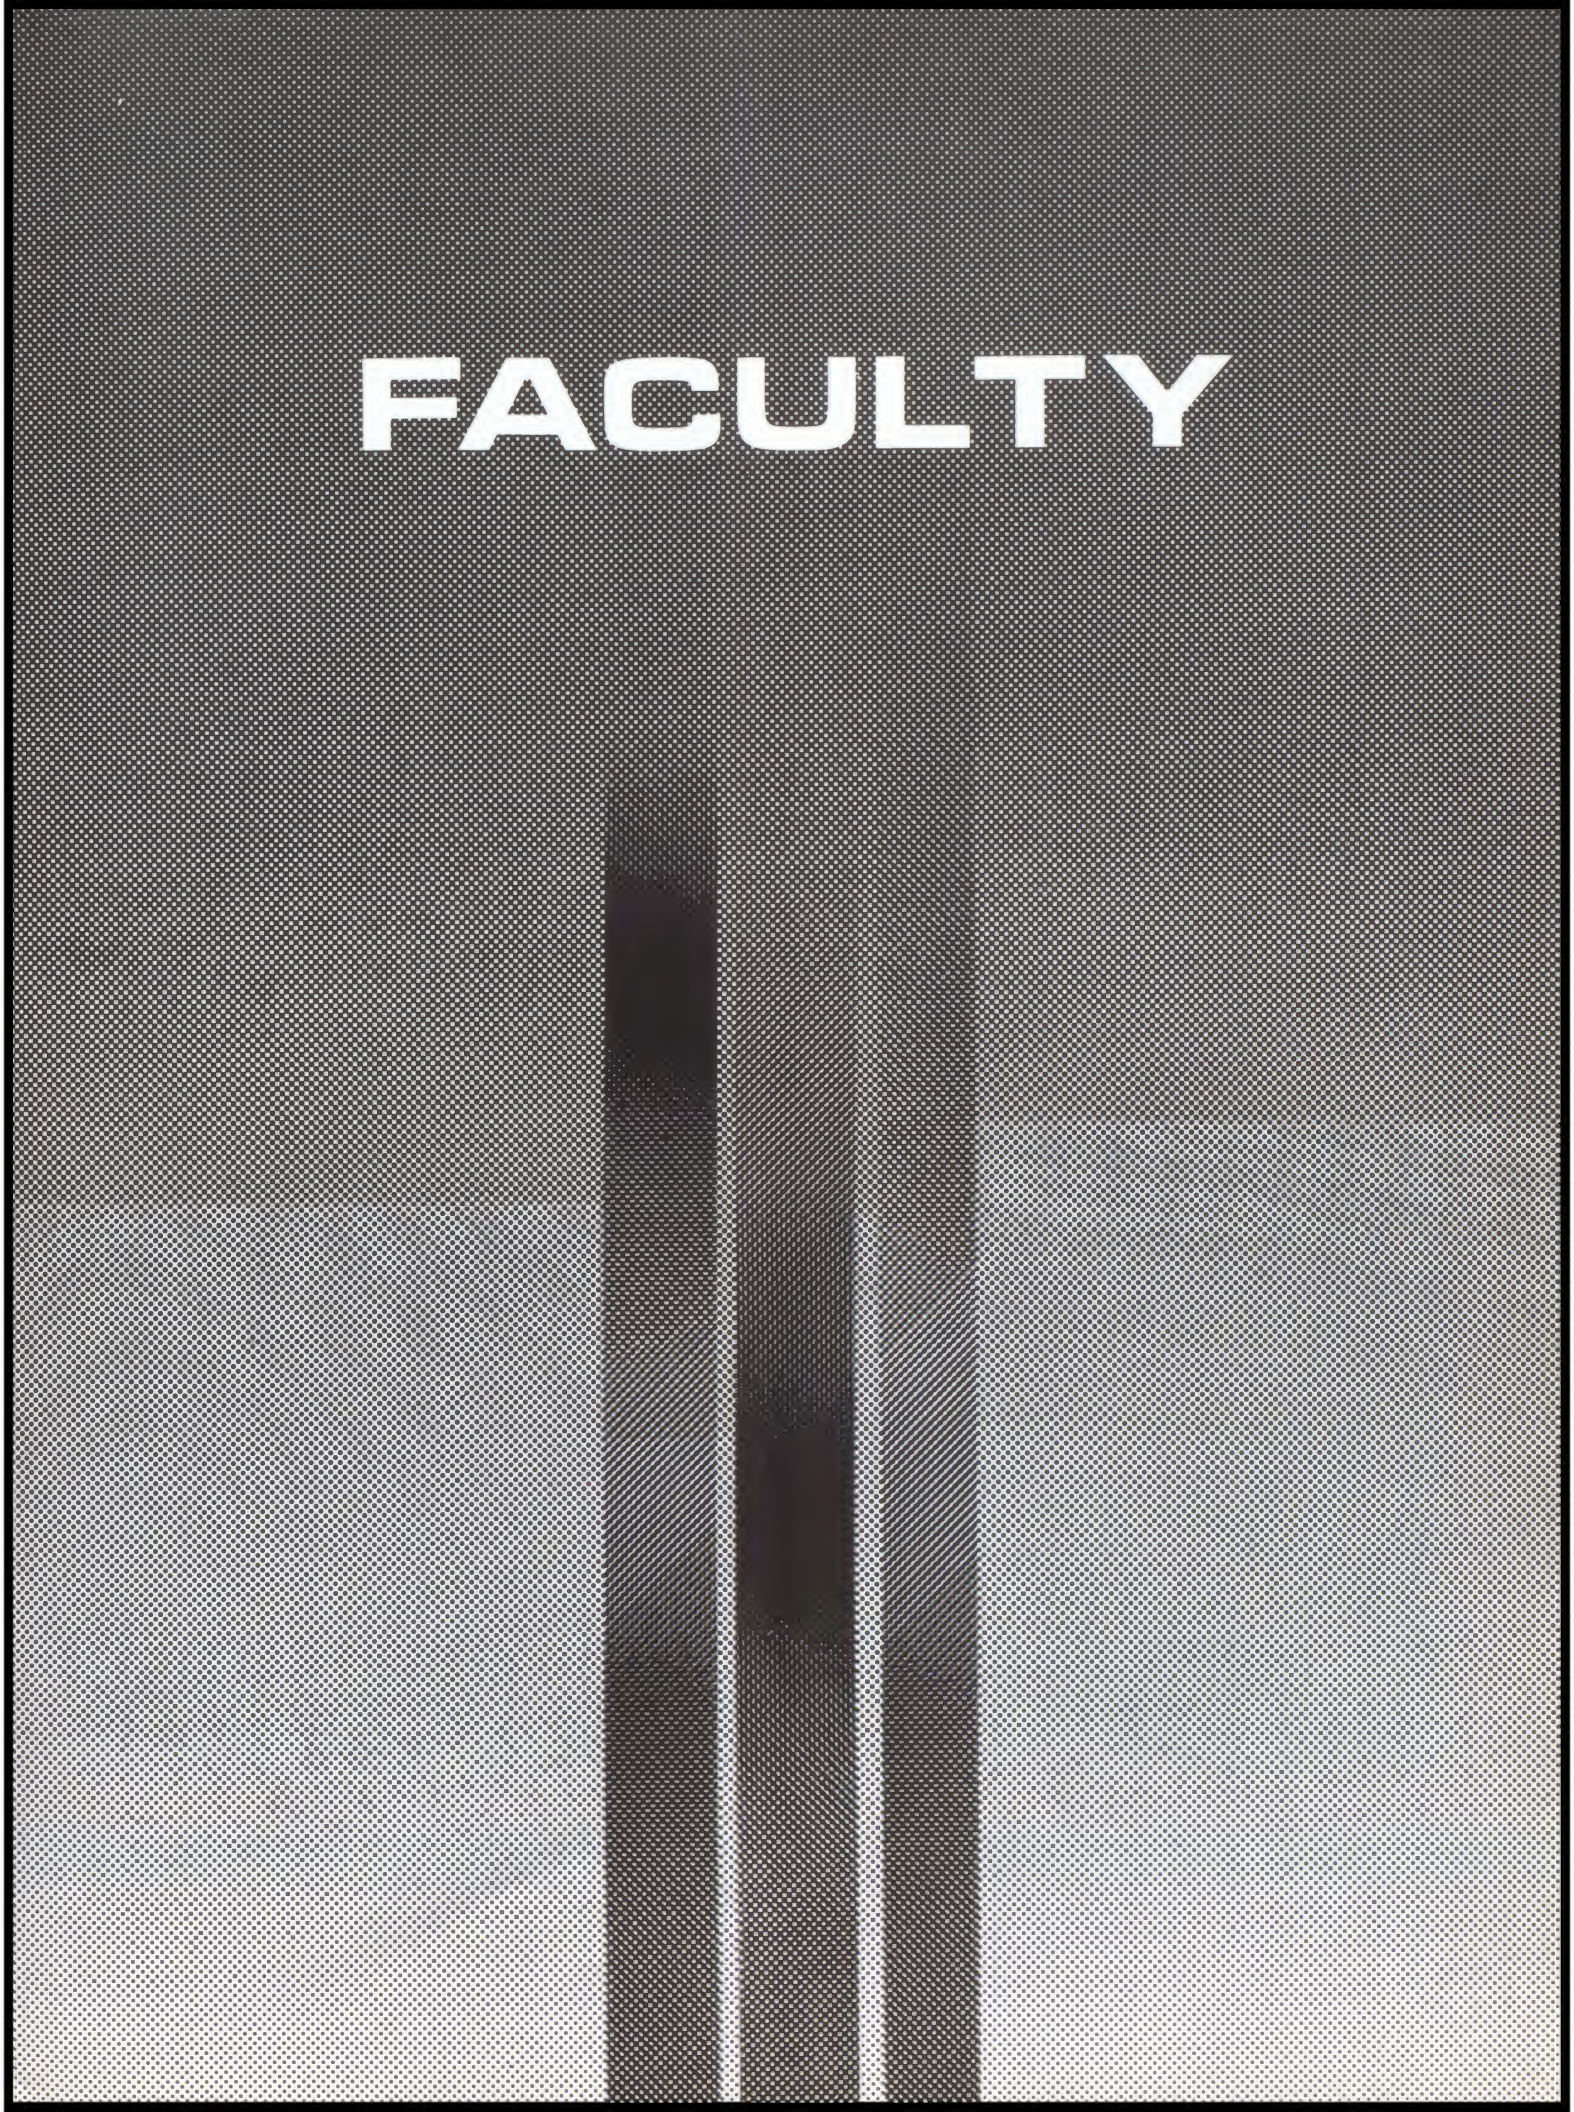
FACULTY



The role of the principal in a large suburban school is to develop an optimal educational program for the students and parents of the community. The interesting and exciting challenge is to create the annual program of learning opportunities in conjunction with teachers, staff and fellow administrators. The many facets of Niles West require the attention of the administration toward the most important tasks of attaining excellence — maintaining strong student and faculty support — and presenting a positive charisma of public relations for the benefit and progress of the school.

Beyond the many and varied tasks as principal, this year Dr. Mannos served as a member of the Board of Directors of the Illinois High School Association, a member of the Executive Board of the Illinois Principals Association and the state coordinator for the National Association of Secondary School Principals.

Dr. Nicholas T. Mannos

PRINCIPAL

ADMINISTRATORS

The administrative team met once a week to discuss issues that arise every day. A team goal was to provide a common philosophy among departments for handling Niles West's daily problems. The weekly team meeting also afforded the administration the opportunity to share ideas and information and make group decisions.

One of the team's major goals this year was to smooth the way for East students and faculty who will be at West next fall. This year the team also instituted freshman study halls, a new attendance system designed to increase student accountability, and a policy requiring all students to take final exams with the exception of graduating seniors.

Administrators clockwise from upper left: Richard Antes, English and Foreign Language; John Winterhalter, Vocational Education; Gerald Turry, Math and Science; John Lorenz, Social Studies and Fine Arts; and Jerry Kupferberg, Student Services.

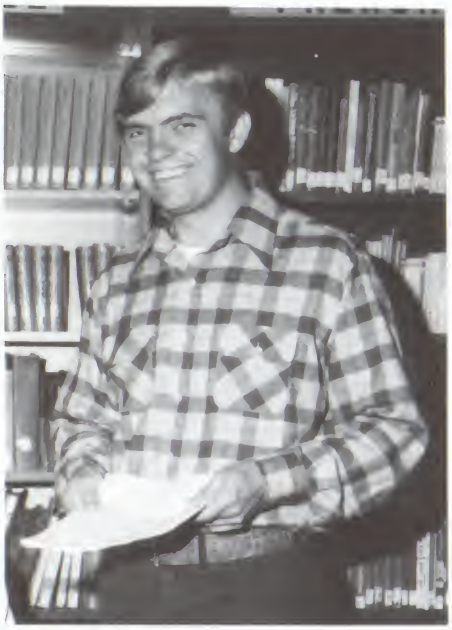
Administrative secretaries inset, clockwise from upper left: Marge Phillipe, Phyllis Mooradian, Gladys Bonetti, Dorothy Beringer, and Faye Madenberg.

ADMINISTRATORS

BOARD OF EDUCATION

This year the Niles Township Board of Education spent its time reviewing the present policies of the school district and planning for the new decade. The general curriculum was reviewed and educational trends over the past fifteen years were examined. Long-range plans for revenue and enrollment over the next five years were discussed. The high school counselor's job was studied and regulations were discussed for student discipline.

From top left, clockwise: Fred Minkus, George Contarsy, Ray Fleischer, Bert Meyers, Mary Helen Archibald, Eric Moch, Gordon Hirsch, the Board in action, and Superintendent Dr. Wesley Gibbs.



FOREIGN

No new courses were offered in 1979/80 but all courses were combined to make the same foreign language offerings at North and West in 1980/81. Students of all languages took common final examinations for the second year. English as a second language was offered for the first time as a two-year sequenced course and students from many different language backgrounds were enrolled. Field trips, foreign food, and foreign exchange students helped students to learn the cultural background of the different languages.

From upper left, clockwise: Katherine Beck, Joseph Brennan, George Brink, Olga Georgiev, Julie Grossberg, Isaac Hoffman, Terese Klinger, Madeleine Loughran, Alex Miron, Gertrude O'Reilly, Roger Stein, and Peter Zorn.

The Niles West Math Department had several outstanding achievements this year. Noteworthy events were the Math Intramural competition and the Math Team Interscholastic competition in the North Suburban Math League. Niles West ranked fifth in the entire area in interscholastic competition. Many outstanding "mathletes" competed with member schools in grueling competition held throughout the year. Due to the expert organization and departmental interest, students were afforded an opportunity to compete among the very top places. This year the math department joined the National MU ALPHA THETA Mathematics Fraternity. Students competed in the Atlantic-Pacific National Math Contest. Students performed admirably on the national examinations for advanced placement calculus. A Math Trophy Case was created in order to maintain a permanent record of the outstanding achievements of math students.

SCIENCE

Clockwise from Upper Left: John Beeftink, Larry Broy, Gerald Firak, Glenn Dessing

The Niles West Science Department had another outstanding year which included the development of an industrial science seminar program. Several outstanding students involved in independent research were sponsored by area research firms. The technical assistance and support allowed Niles West to begin a program which should gain statewide attention. The annual science fair as well as fine instructional programs continued to allow West science students an outstanding opportunity for science education. Advanced placement programs continued to abound from West, which is one of the few area schools to offer A.P.P. courses in three disciplines. Student awards were showcased in the Science trophy hall of fame located on the third floor.

SCIENCE

Clockwise from Upper Left: Dottie Fugiel, Bob Hanrahan, Dennis Hoeppner, Ann Levinson, Jeffrey Nelson, Wayne Rogowski, Jim Strnad, Don Waddel, Gary Wanke, Ed Ernst, Warren Holz

Spreading artistic culture throughout the school is what the Art Department did best. Students in the department excelled in different aspects of art. Much of their work was displayed throughout the corridors.

ART

HEALTH

The staff of this years Health Department consisted of Ron Campbell and Sharon Zorn. Although there were only two teachers, they kept the department active. Health Education proves to be a valuable class for the Niles West student.

Ron Campbell (left) and Sharon Zorn

Providing students with the necessary knowledge needed to drive an automobile is the responsibility of the Drivers Education Department. In-depth classroom sessions, aided by valuable range and behind-the-wheel experience have been a great asset to the students.

DRIVER EDUCATION

ALTERNATIVE LEARNING CENTER

The Alternative Learning Center provided students with a more personal educational atmosphere. The center helps each individual to experience vocations outside of the classroom.

HOME ECONOMICS

The world of Home Economics at Niles West included diversified activities ranging from a style show with Niles East and Niles North to graduation exercises for pre-schoolers who were enrolled in a program with the Child Development Class. While the food classes teased us with their pleasing aroma, some of us were in Management for Living discussing the influence of the prime interest rate on the stock market.

SOCIAL STUDIES

From top right counterclockwise: Charles Anderson, Ronald Albiani, Kay Beck, Gerald Boevers.

Social Studies teachers are expected to do the impossible. They are required to be more or less an expert in a multiplicity and variety of social science disciplines. At the same time, they must be practitioners of the whole range of teaching strategies from the traditional to the latest trends. In addition to these expected accomplishments, there is societies' insistence that the social studies teachers have the major responsibility for educating young men and women in the facts of citizenship and democratic ideals. In other words, social studies courses are asked to produce people who are politically informed and active.

All this seems to be an impossible task for most people-but the social studies teachers who go their daily rounds are expected to live up to these expectations and do an admirable job for Niles West students.

Honors courses in United States History and Western Civilization were reinstated this past year with several students taking advantage of this enriching curriculum. Psychology continued to be the most popular of the social science electives with over 600 students selecting this course.

INDIVIDUAL INSTRUCTION CENTER

The Individualized Instruction Center is designed to provide students with help in their adjustment to the school environment. The I.I.C. teachers work with parents, teachers, and students to aid students. They read assignments, examine tests, and make use of educational games to improve students' work and study habits. Each teacher has a case load of students for which individualized plans based upon needs and goals must be developed.

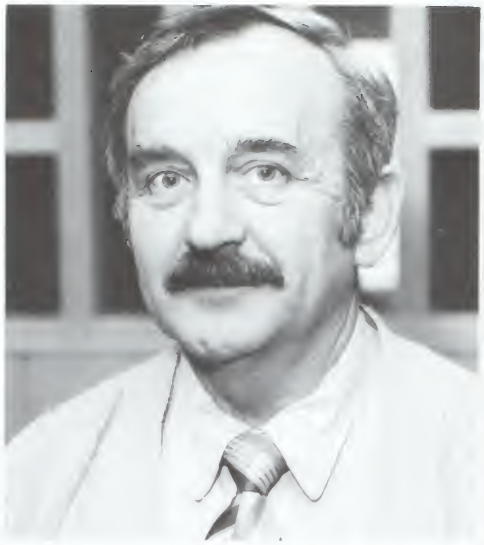
These areas are geared toward individual and group study, along with reference assistance for both students and staff. Also available is a wide textbook selection and compilation of bibliographies.

A diversity of materials are present for continual sources of research. Available is the most current audio-visual equipment, supplies for publicity and promotion, records, filmstrips, and tapes.

These well-rounded areas prove to be a great asset to the Niles West student.



BUSINESS EDUCATION

Business Education classes enable students to have a better understanding of the business world and its ways. The courses introduced students to a wide vocabulary of business terms, and furthered the skills of reading, writing and communication.

PHYSICAL EDUCATION

The Niles West Physical Education Department provides each of our students with a daily physical education class. Its curriculum affords a wide variety of gymnastic, aquatic, dance, recreational, team and individual activities. The fourteen member staff is well trained and highly specialized. The department seeks to provide every student the opportunity to develope a strong, healthy body; encourage good health habits; aid in the development of athletic skills for use now, and in adult life; and to teach the social values inherent in competitive activities. The high school years are a tremendously important period in the development of each student, physically as well as mentally and emotionally. A healthy body enables one to more fully enjoy all aspects of living and assures a greater chance of success in any worthwhile undertaking. Regular participation is the pathway to a longer life and a more satisfying existence.

GUIDANCE

The Niles West Guidance Department successfully led students through another school year. Each counselor contended with a great amount of work which consisted of schedule changes, applications for admission to college, and the credit-audit program. The Guidance Department also provided an effective testing program, job information for students, and an accurate listing of scholarship offers.

The Music Department was made up of three basic organizations: Band, Orchestra, and Chorus, which in turn had groups that were related to them. The department also offered courses in music theory and guitar.

The band program offered courses such as beginning band instruments, freshmen band, intermediate band, and concert band. A jazz band program was also offered to those who participated in the above bands. The concert and intermediate bands combined to form the marching band which played at football games, parades, and basketball games.

The Orchestra program offered a course in beginning strings, intermediate orchestra, and concert orchestra which consisted of all strings plus a full wind section. Members of the orchestra participated in the string orchestra which performed at open house, the honors assembly, and other outside functions.

The choral program offered courses in glee club and choir; some choir members were selected to perform in the asappella choir. In addition, after school groups such as Vivace and Westones offered popular music. Piano instruction was also taught through the choral program.

All three groups participated in concerts individually and together.

The names of those who in their lives fought for life
Who wore at their hearts the fire's centre.
Born of the sun they travelled a short while towards the sun,
And left the vivid air signed with their honour.
